Briefly describe how and when the collaboration was started and its status today.

Development aims

Number of characters: 0 of max 1000

What are the concrete areas that you would like to develop within the Globus FORWARD support?

Help-text for the question:

The grant can cover targeted/specific activities within the chosen areas (e.g. consultations, material costs, expert sessions, etc.). The activities can also be completely or partly integrated into the grantee’s own general operations and artistic practice/method, provided it is clearly demonstrated how this contributes to the development of the collaboration/organisations within the selected core areas.
